Greetings Project Team Members:

A preconstruction meeting has been scheduled for September 5<sup>th</sup> from 9:00 AM – 10:00 AM at the Highland Park Field Office for Councilmember Gil Cedillo.

There are four locations that can be installed in the next few weeks, and we plan to go over those four locations for installation in September.

I will take notes of the meeting.

Please confirm your attendance, and thank you to the Council Office for allowing us to use their meeting room.
